## SOMETHING TO THINK ABOUT

as we start making changes in the new year in the way we do things!

**Ever wonder what would happen if we treated our Bible like we often treat our cell phones?**

- ◆ What if we carried our Bible around in our purses or pockets?
- ◆ What if we flipped through it several times a day, to see if there is a message for us?
- ◆ What if we turned back to go get it if we laid it down and forgot it?
- ◆ What if we used our Bible to receive messages from the text?
- ◆ What if we treated it like we couldn't live without it?
- ◆ What if we gave it to our kids as gifts?
- ◆ What if we used it when we traveled?
- ◆ What if we used it in case of emergency?

Something to think about, and cause us say: "...hmm...where is my Bible?"

Oh, and one more thing...

Unlike our cell phone, we don't have to worry about our Bible being disconnected because Jesus already paid the bill. We're always in His service area. And, no dropped calls, no busy signals, no call waiting or call interrupt.

Our BIBLE never needs to be re-charged. Just read!

Makes us stop and think: "where are my priorities?" When Jesus died on the cross, he was thinking of each of us. How often do we think about HIM, and ask to be part of HIS lifetime plan of being there when we need HIM, or when HE needs to talk with us?

**"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work." - 2 Timothy 3:16-17**

# Welcome Guests

We are so glad that you decided to visit Port Orchard Church of Christ this morning! Since you took this step to join us for worship, we would like to extend to you a warm welcome. Wherever you are this morning, as we lift worship to God, we pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek to worship God like the first cen-

tury church did, with a sense of awe and with a fear of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the best of your abilities. If you have any specific needs,

we have a ministry staff that would love to connect with you. Ask the people sitting around you for names of the ministry staff and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and meaningful way.
