## HOW YOU CAN HELP OUR HOMELESS YOUTH

Coffee Oasis is a **faith-based**, non-profit organization that exists to change the world for homeless youth one of which is here in Port Orchard.

Here at Port Orchard Church of Christ we have an opportunity to provide the homeless youth in our area with warm outerwear along with personal hygiene items. They can also use sleeping bags and tents. From now until November 17<sup>th</sup>, Bonnie Mitchell will be collecting the following items to fill tote bags for the homeless youth. It is stated that on a Friday night they serve about 50 homeless teenagers at Coffee Oasis – a program that we participate in here at POCOC.

The tote bags will be furnished. Following is the list of items for the bags. Without the hat, gloves and scarves the cost (at Dollar Tree) comes to about \$12.00. My goal is to fill at least 25 but 50 would be AWESOME! (Just like POCOC community is.) (Yes I am schmoozing a bit hoping to hit your heart strings.) I have requested that those who knit or crochet donate hats, gloves, or scarves for the bags. However, these are items that can also be purchased. If preferred money donations to fill the bags is welcome.

### For Both Boys and Girls

Shampoo for both and Conditioner also for girls

Body Wash

Handwipes

Deodorant

Toothbrush

Razors

Toothpaste

Hand Sanitizer

Toothpaste holder

Would also like donations of Hand Warmers that can be purchased at Costco so we can put some in each bag.

Also am including a “worry stone” with Believe or Faith or Peace written on them which I am also donating.

# Welcome Guests

We are so glad that you decided to visit Port Orchard Church of Christ this morning! Since you took this step to join us for worship, we would like to extend to you a warm welcome. Wherever you are this morning, as we lift worship to God, we pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek to worship God like the first cen-

tury church did, with a sense of awe and with a fear of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the best of your abilities. If you have any specific needs,

we have a ministry staff that would love to connect with you. Ask the people sitting around you for names of the ministry staff and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and meaningful way.

## Great Washington ShakeOut

While earthquake hazard varies from region to region, Washington is prone to earthquakes. You could be anywhere when an earthquake strikes. Businesses are a vital part of our community. One of the best ways to prepare and reduce the impacts when an earthquake occurs is to actively participate in drills. It is also important that workplaces have the appropriate plans and procedures in place to keep employees and customers safe during an emergency. **Safety is a value at PSE and we're encouraging our business customers to join us in the Great Washington ShakeOut on Thursday, October 17th at 10:17 a.m.** Get ready to drop, cover, and hold during this year's Great Washington ShakeOut which takes place at **10:17 a.m. on Oct. 17**. Please take a moment to participate by following these easy steps:

- **DROP** to the ground (before the earthquake drops you!)
- Take **COVER** by getting under a sturdy desk or table, and
- **HOLD ON** for one minute

Calling ALL SOUTH KITSAP FAMILIES:

Save the Date -- October 19, 2019, 8:00am

Here's what you need to know:

This project will be addressing the stadium bleachers at South Kitsap High School in preparation for the homecoming football game.

Please plan to bring: trashbags, gas leaf blowers, hoses, brooms, kneeling pads, handheld scrapers/strippers, flathead shovels, weeding tools, old towels, old car washing brushes, ten gallon buckets, and dish soap.

Required to bring: appropriate safety gear including: clothing for the weather, gloves, eye protection and ear protection.

This is based on volunteers. The more people we have, the more work can be done.
