"The earth is the Lord's and the fullness thereof
the world and those who dwell therein, for He
has founded it upon the seas and established it
upon the rivers." Psalm 24:1-2

In Remembrance

*Some people come into our lives
and quickly go.*

*Some stay for awhile and
leave footprints on our hearts
and we are never the same.*

DeLores Magneson, aka DJ, most definitely did that to those who knew her.

God had given her many gifts and she shared those with those of us here at POCOC. She loved the children and enjoyed creating the crafts for and with them. She especially enjoyed working in the Sunday classes with the teen girls. DJ loved planning July 4th, Fall Festival, Easter and Christmas celebrations.

She was an awesome cook and one of the first to step up when called for providing meals to those who needed them at the time. Once a month on Thursdays, Lori Sanders and I would take DJ out to lunch. It had to be fish and chips. So the fun part was finding the place that made the best fish and chips. She decided that Airport Diner had the best and that was the last outing that we were able to have together. Now she is with the fishermen and getting better fish and chips.

DJ had an abundance of love for her family and for POCOC. She was always appreciative of the help she would get from us.

It is with a very sad heart that DJ has left us for a better place. However, I know she will no longer have any more pain, hurt or sorrow but only joy.

We are left with her footprints in our hearts and those will never leave us.

Welcome Guests

We are so glad that you decided to visit Port Orchard Church of Christ this morning! Since you took this step to join us for worship, we would like to extend to you a warm welcome. Wherever you are this morning, as we lift worship to God, we pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek to worship God like the first century church did, with a sense of awe and with a fear

of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the best of your abilities. If you have any specific needs, we have a ministry staff that would love to connect with you. Ask the people sitting around you for

names of the ministry staff and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and meaningful way.

Message from Jim and Cindy Snead

It is with a heavy heart that we leave the area. Our hearts and prayers go out to the Magnuson family. Charlotte Hahn, our hearts go out to you. I pray that God comforts you gives you the strength to keep on keeping on. Cindy and I feel very blessed to have you in our life.

It seems that for the last couple of years our family keeps decreasing and to be gone for awhile scares me. Who will be here when we get back. We love you all very much, you are our family. God Bless each one.

Children's Fall Festival

A Fall Festival is scheduled for Saturday, October 28th, around 6ish pm. We need bags of candy and things to use as prizes: clean stuffed animals, whizkabobs you have lying around, etc. We also need at least four Game Wardens. There will be no hunting involved; you will be overseeing the big wooden games like bean bag toss, etc. Contact Sarah Benjamin or Shauna Soete if you can volunteer. You will be compensated with candy. *No scary or evil costumes.*

Global Sunday

On Sunday, October 29th, congregations and individuals of the churches of Christ from all over the United States are being called to do what Jesus said: "Declare the Good News of the Gospel to every person on the planet. The entire world."

With stations in Alaska and Madagascar, World Christian Broadcasting is now covering the entire world with the Gospel of Jesus Christ. The two stations combined are sending out 33 hours of programming every day, 365 days a year in six languages--Russian, Chinese, English, Spanish, Arabic, and English for Africa.

This special contribution will help to add Portuguese, Korean, and French. More than 500 million people speak those languages.

World Christian Broadcasting has the facilities to reach the world. They are doing it now. They are doing it in six languages. Let's join them in their quest to add new languages as they continue to make every effort to reach the world for Christ.
