"Cutting in Line"

(Author Unknown)

Waiting in line to pay for groceries, while maintaining a 6 ft distance, this man cut in line. He didn't appear to notice what he'd done.

The person he skipped didn't say anything, just maintained the proper distance.

When it was time for the man to pay, he reached in his back pocket and pulled out a small note pad. He'd forgotten his wallet.

He looked a bit disappointed and embarrassed. But the person he skipped stepped up and told the cashier he'd take care of his groceries. (Which only consisted of Milk and Chocolate Chip Cookies.)

He was more than grateful. He kindly thanked him, and off the man went.

Upon arrival to the register, the cashier asked the kind soul: "He cut you off and you paid for his groceries. Why???"

The man calmly replied with a smile, "I hope that if one day my Dad forgets his wallet, someone will step up and buy his milk and cookies."

Why not pay it forward?

Our Prayer List

- Jessica Zepf received the news that her breast biopsy showed no cancer. She had an endoscopy and colonoscopy and the doctor didn't see anything in particular that is wrong but did do biopsies which is standard procedure. Jess will have a CT scan of her lower intestine just to get a closer look. Hopefully they will have a plan soon. Please continue to keep Jessica in your prayers and praise for all the good news so far.
- Delores Lawler fell and broke a rib on Monday, she is healing but it still hurts! She also had a doctor appointment on Wednesday regarding her liver that we need to pray about! She misses all of us and will be back as soon as there is a vaccine; she said she would be first in line!
- Charlotte Hahn has company staying with her, her stepson and his wife. We need to pray for Charlotte's son Lou Harrison, he has a cancer diagnosis and needs healing prayers.
- Bonnie was diagnosed with shingles on Friday. Pray for healing and pain removal.
- Jessica Zepf is scheduled for some lab work and on the November 11th, she will have an endoscopy and colonoscopy. The Doctor is wonderfully willing to juggle her schedule to help Jess accommodate her jobs between the Tacoma School district and Home Depot. Jess will have her Covid test on the 7th and need to quarantine until the procedure on the 11th. She will also have a breast biopsy done on Thursday, 11/5. As you can expect these are concerning times and we ask for your very specific prayers for Jessica for answers and healing! - Laura & Darrell
- Sarah Benjamin is requesting prayers for Maria, whom she met on a prayer group.
- Maria has been in a lot of pain and very ill. The Lord has great purpose for her life and prayers are requested for her healing.
