The Darkness at the Crucifixion

*"It was now about noon, and darkness came over the whole land
until three in the afternoon, for the sun stopped shining."*

- Luke 23:44 -

Bible Classes 9:30 - 10:15am

Adult Class: James Greer will teach a class upstairs in the auditorium.

Children's Class will be downstairs in the open fellowship area; not in classrooms. Helpers are needed. Please contact the office if you want to assist!

Worship in the auditorium begins at 10:30am

Men are needed to help lead our worship by offering a prayer, leading a communion thought, reading the scripture, or preaching a sermon.

Please contact the office to volunteer. If you would like help to prepare, let us know.

Children's Church downstairs: Children will be dismissed after communion.

Helpers are also needed here. Please contact the office if you want to assist!

We think it's important for the children and adults to come together again. We will be following all of the protocol necessary to do that safely!

If you have concerns or suggestions please do not hesitate to share!

Gospel of Luke

Bible Class

Led by Trent Herbert

Study Questions Chapter 9

1. Why did Jesus send out the twelve?
2. What were the disciples teaching and preaching as they went out?
3. Should this be an example of evangelism to us today?
4. Why did Jesus say to shake the dust off of their feet?
5. Why was Herod interested in seeing Jesus?
6. When Jesus fed the crowd, was there a reason?
7. What can we draw from the feeding of the 5,000?
8. Why did Jesus tell His disciples not to say who He was?
9. Explain what it means to take up your cross daily?
10. What was the Kingdom that Jesus was speaking of in vs 27.
11. What was wrong with Peter's response to seeing Moses and Elijah?
12. Who was Jesus rebuking in vs 41?
13. Luke records Jesus giving examples of disciples that give excuses why they cannot follow Jesus, what are some that we give?

Jesus is continuing His ministry, crisscrossing the lake, healing and casting out demons. These are windows into the lives of the disciples and the people that Jesus helps. In chapter nine Jesus starts to turn toward Jerusalem and the cross. He knows His time coming, and He needs His disciples to be ready for the challenges that will come their way. I encourage you to check out our class on Luke. We do a weekly review of previous chapters so no one will be behind. Come and share as the scriptures come to life and we learn about the context and background of many Jewish customs and people.
