### PROPERLY ENGAGED BODY!

We worship God with our voices as words of adoration and praise are drawn from the heart to pass through our lips! We worship God with our eyes as they are lifted above the things of earth and trustingly toward His Heavenly Holy dwelling place! We worship God with our ears as they remain attentive to the reading and teaching of His Word and Will for our life! We worship God with our minds as we never forget the sacrifice of our Lord on our behalf every time we assemble around His table and partake of the bread and the cup.

As we worship in spirit and in truth (John 4:24) from our hearts, we can see from each of the things mentioned above, our body is by no means left behind. Though it is flesh it is still engaged spiritually!

Let us remember Paul's exhortation to the church at Rome where we read...

*"I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship."* (Romans 12:1 ESV)

That giving of our bodies as living sacrifices and therefore as spiritual worship to God, is not only as we assemble together, but also as we go about our individual daily lives. May our whole being remain given in worship to the God Who has given us life, is presently sustaining it, and provides the only hope of it eternally!

Have a great day KEEPING THE BODY ENGAGED IN SPIRIT AND IN TRUTH!

- Carl Hanson

## Gospel of Luke

Bible Class

Led by Trent Herbert

### Study Questions Chapter 9

1. Why did Jesus send out the twelve?
2. What were the disciples teaching and preaching as they went out?
3. Should this be an example of evangelism to us today?
4. Why did Jesus say to shake the dust off of their feet?
5. Why was Herod interested in seeing Jesus?
6. When Jesus fed the crowd, was there a reason?
7. What can we draw from the feeding of the 5,000?
8. Why did Jesus tell His disciples not to say who He was?
9. Explain what it means to take up your cross daily?
10. What was the Kingdom that Jesus was speaking of in vs 27.
11. What was wrong with Peter's response to seeing Moses and Elijah?
12. Who was Jesus rebuking in vs 41?
13. Luke records Jesus giving examples of disciples that give excuses why they cannot follow Jesus, what are some that we give?

Jesus is continuing His ministry, crisscrossing the lake, healing and casting out demons. These are windows into the lives of the disciples and the people that Jesus helps. In chapter nine Jesus starts to turn toward Jerusalem and the cross. He knows His time coming, and He needs His disciples to be ready for the challenges that will come their way. I encourage you to check out our class on Luke. We do a weekly review of previous chapters so no one will be behind. Come and share as the scriptures come to life and we learn about the context and background of many Jewish customs and people.

## Our Prayer List

- I have a terrible news to share with my family...I received a message that one my employees passed away Monday night. He leaves behind a wife and 4 kids. Obviously, shock, sadness, and emptiness is being felt by the family. PLEASE lift them up, as well as my firm, who are a TEAM, and with one of our members leaving us, we are also feeling the same, as well as having to fill a BIG void during the busy season for us at the moment. We ALL, his family and his firm family, need to feel the angels lifting us up, to ease our pain, and give us guidance in the hours, days, and weeks ahead.  
Love you all and I know as I type this, the angels are already on their way...and have been...

## Less Like Me

- Zach Williams -

<https://www.youtube.com/watch?v=hawc0emHq8c>

Oh, I have days I lose the fight  
Try my best but just don't get it right  
Where I talk a talk that I don't walk  
And miss the moments right before my eyes  
Somebody with a hurt that I could have helped  
Somebody with a hand that I could have held  
When I just can't see past myself  
Lord help me be

### Chorus

A little more like mercy; A little more like grace  
A little more like kindness, goodness, love and faith  
A little more like patience; A little more like peace  
A little more like Jesus; A little less like me

Yeah, there's no denying I have changed  
I've been saved from who I used to be  
But even at my best I must confess  
I still need help to see the way You see  
Somebody with a hurt that I could have helped  
Somebody with a hand that I could have held  
When I just can't see past myself  
Lord help me be  
(chorus)

Oh, to feed the beggar on the street  
Love to be Your hands and feet  
Freely give what I receive  
Lord help me be  
I want to put You first above all else  
Love my neighbor as myself  
In the moments no one sees  
Lord help me be  
(chorus)

A little more I'm living Everything I preach  
A little more like Jesus; A little less like me
