Story: Introduction to the Christian Worldview class

I've done it, and so have you: We borrowed someone else's prescription eyeglasses and found our vision quickly distorted—our vision of reality changed radically! Our worldview is the "pair of glasses" we look through to see our world. We need to examine whose "glasses" we are wearing – uncritically borrowing someone else's "glasses" can lead to a distorted vision of reality! How does a biblical worldview contrast with the worldviews common in the secular society in which we live? Let's be sure not to wear someone else's eyeglass prescription –nor their worldview.

This accredited three semester hour college freshman level course is offered on Tuesday evenings, Sept 27-Dec. 13 from 6-9 PM, plus four hours one Saturday. The course will meet at the Lakeview Church of Christ in Tacoma. The course is offered through the Northwest School of Discipleship of the Southwest Church of Christ in Tigard, Oregon, and accredited through Oklahoma Christian University. Dr. Mark McLean will be teaching the course. The course may be taken for credit for only \$60, or audited for \$45.

Register through www.nwschoolofdiscipleship.com, and buy your own textbook, "Faithfully Different," (by Natasha Crain) at least one week prior to class. Memory work will be from the ESV translation of the Bible.

This course introduces students to the Christian worldview by familiarizing them with the story of the Bible and through exploring the fundamental tenets of the Christian faith. The course will compare the Christian worldview with other worldviews, most notably secular humanism. The course will also address strategies for Christian living in an increasing secular society, and how to reach out to those who do not share a Christian worldview.

This course is open to all adults over age 18. Join us for this academic and spiritual adventure!

*Just a
thought...*

"Though the fig tree does not bud and there are no grapes on the vines, though the olive crop fails and the fields produce no food, though there are no sheep in the pen and no cattle in the stalls, yet I will rejoice in the Lord, I will be joyful in God my Savior."

Habakkuk 3:17-18

Sing and Make Music

Chorus 1:

Sing and make music in your heart to the Lord
Sing and make music in your heart to the Lord
Sing and make music in your heart to the Lord
Sing and make music in your heart to the Lord

(Repeat Chorus 1 in background)

When it comes to makin' music don't you show me how
'Cause I love to make my music to the Lord right now
I got music and a rhythm that is in my bones
And the truth that I'm a singing I can't leave alone
Then you get me with the ones who truly wear His name
And the music from the heart will surely be the same
As it helps you with your struggles and will ease your mind
'Cause the music's edifying to you ev'ry time

Chorus 2:

Speak to one another (to Him) with psalms and hymns and
spiritual songs (to Him)
Speak to one another (to Him) with psalms and hymns and
spiritual songs

(Repeat Chorus 1 in background)

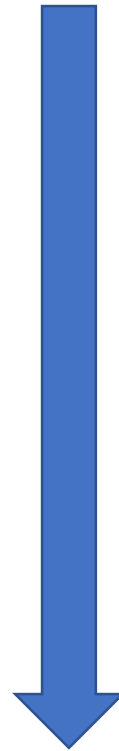

When you're singing to your brothers, it's a precious gift
'Cause it helps to make 'em happy and their burdens lift
With the message and the power, how could we go wrong
We hear the voice of His concern in each and every song
Yes, you know it makes em' happy when you hear them sing
They're given honor to the Master over everything
We can praise Him all together make a song as one, and
Rejoice with all the earth for what the Lord has done

Lift your song together with one accord
Sing and make music in your heart to the Lord
Lift your song together with one accord
Sing and make music in your heart

Repeat Chorus 2

(Repeat Chorus 2 in background)

It you want to make me happy join on in with me
In the beauty of this grace and fellowship, you'll see
It's His love we sing about and nothing can compare
Not any treasure, any glory, nothin' anywhere
Don't let it stop you when you feel that you can't sing on key
'Cause it's the heart that is important to the Lord you see
So if you're happy and you know it, won't you let it out
And let the world know all together what it's all about
