**Our Daily Renewal**

2 Corinthians 5:17 English Standard Version (ESV)

“Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.”

If you have not heard out at Delano Bay we had some vandals do an extreme amount of damage to our lodge, in essence it is getting a total remodel. Watching its progress makes me think of how Christ remodeled and is remodeling our own lives. We need to remember that what God has already built does not get old and does not become obsolete. I know a lot of people feel at times that they are not capable or not called. But if you are IN CHRIST then you are made new every day. What once was is now gone and past and you are a new creation, just like the creation in Genesis, he looks down and says “It is good”. Don’t look at your life as lost or not going anywhere, but look at everyday he gives you as a new day, and you a new creation, made for a purpose by your Lord and Savior. The same is for the remodel at Delano Bay, none of the physical matters if the remodel is not also a renewing of mission statement daily “We exist to encounter the Good news of Jesus the Christ to further his Kingdom.” How did he remodel you today? How is he remodeling you today for the work he has for you tomorrow?

Renewal

*2 Corinthians 4:16-17*

*“Therefore, we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all.”*

## Walk Right Out of This Valley

### Chorus

Well, I'm a gonna walk right out of this valley  
Lift my hands and praise the Lord  
Said I ain't a gonna let ole' Satan  
Get me down down down  
Why should I sit here till I die  
Heaven's awaiting up a little bit higher  
I'm a gonna walk out of this valley with my Lord

### Verse 1

Now when the Lord let down  
The hedge on Job to try Him  
Took all of His children  
And ev'rything that He owned  
But no Job didn't sit down and cry  
No he lifted his head up high  
And came out of that valley  
Thank God with a whole lot more

### Verse 2

Well now the road  
That we've got to travel to that city  
Well it won't always be on the mountain high  
But you know the valley  
That we've got to face  
God said He's gonna give us grace  
To come up on the hill  
Where the sun is shining bright
