How to Pass Down Our Faith

Deuteronomy 4:9

The most valuable "possession" believers can leave to family and friends is faith in Jesus Christ. While everyone must choose to trust in the Savior for him- or herself, Christians can and should share key biblical truths with loved ones.

These essentials of the faith should not be kept to ourselves:

Salvation is found only in Jesus Christ (Acts 4:12).

From an early age, children should be taught that the most important relationship they'll ever have is with the Lord. Believing in Him and obeying Him is vital.

Everything that exists was created by the Lord, and He owns it all (Psalms 24:1). We're managers of our resources, not owners. As stewards, we are to invest in God's kingdom and not just spend on personal pleasures. His priorities are to become our own.

God has a purpose for each of us, and discovering it is very important (Eph. 2:10). We can look for opportunities to share what we are learning about God's plan for our

life. In the process, our loved ones might become curious about what His purpose is for them.

God will provide whatever we need to carry out His plan (Eph. 4:11-13). Our heavenly Father gives us talents and spiritual gifts to achieve His purposes and plans. He has promised that we will have what is necessary for us to live a life that's pleasing to Him.

Why wait to start sharing your faith? Each day offers new opportunities to speak of our Savior. Think about the people to whom you could pass along this precious possession.

Welcome Guests

We are so glad that you decided to visit Port Orchard Church of Christ this morning! Since you took this step to join us for worship, we would like to extend to you a warm welcome. Wherever you are this morning, as we lift worship to God, we pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek to worship God like the first century church did, with a sense of awe and with a fear

of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the best of your abilities. If you have any specific needs, we have a ministry staff that would love to connect with you. Ask the people sitting around you for

names of the ministry staff and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and meaningful way.
