

# Port Orchard Church of Christ

Jesus is Lord · Jesus is Lifted · Jesus is Lived

## From the Tiny Cabin Fact-Finding Team

We were blessed this week to have Brother Stafford share with us from Joshua 3. If you weren't able to hear his message on Sunday you will find his recorded message on our website under "Teachings".

In Joshua 3 we find the story of the Israelites moving from the desert to the Promised Land. Freed after 400 years of bondage in Egypt the Israelites wandered in the desert for 40 years. When it was time to make their way into the land promised them by God, they were instructed, "When you see the ark of the covenant of the LORD your God, and the Levitical priests carrying it, you are to move out from your positions and follow it. Then you will know which way to go, since you have never been this way before."

In Luke 10 Christ shares with us the parable of the Good Samaritan. We're shown that our neighbor is more than just the one who looks like us or lives near us or believes what we believe. Our neighbor is anyone in need.

As we prayerfully explore our future, how do we consider these two examples from the Bible?

In Joshua 3, the Israelites are told to keep their eyes and their focus on God. To follow Him because He is taking them to a place they've never been before. A place he promised and prepared for them, Sound familiar? In John

14 we find another promise, the promise of Heaven: prepared in advance for those who believe in Christ Jesus and choose to follow Him. So how do we now, with our vast knowledge and advanced technologies, know the way to go? How do we find our way individually, in our biological families, in the family of God, and in the world? How? We keep our eyes on Christ. We lean not on our own understanding. We trust in Him (Prov 3:5-6).

The parable of the Good Samaritan gives us a new definition for neighbor. It expands our view and understanding of who our neighbors are and how we are called to be involved in their lives.

Lord we seek your guidance, show us the way to go. Open our eyes to see our neighbors and how you would have us serve them. If this means a tiny village please give us the grace and mercy to extend to our neighbors as you have given to us. If not a tiny village, then show us how you would have us be good neighbors. For surely you have called us to share the message of your salvation and to do your work here on earth. Help us to be bold and courageous as we move forward.

# Welcome Guests

We are so glad that you decided to visit Port Orchard Church of Christ this morning! Since you took this step to join us for worship, we would like to extend to you a warm welcome. Wherever you are this morning, as we lift worship to God, we pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek to worship God like the first century church did, with a sense of awe and with a fear of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the

best of your abilities. If you have any specific needs, we have a ministry staff that would love to connect with you. Ask the people sitting around you for names of the ministry staff and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and meaningful way.
