A WORLD WHERE GOD IS REAL

I want to live in a world where God is real!
Where people use his name often, But never in vain.
Where trust in him is so obvious in our speech; Love for him is clear by our lives; and loyalty to him is demonstrated by our every choice.
Where success is accepted to the praise of God; and failure is handled the same way.
Where tragedy is faced with the strength God gives ; not that the bottle gives, nor that drugs give , nor that even what which money gives.
Where those individuals our children naturally look up to are people of faith, integrity and decency.
Where families bow together often in prayer.
Where family Bible reading and discussions are normal, and at least as regular as the mail carrier.
Where little children have plenty to eat and are safe from attack, and abuse, and evil influences...at least in their own homes.
Where old people are respected simply because of their age and are well cared for.
Where differences are resolved and conflicts solved in Biblical ways, without division, and so that love remains intact.
Where I'm always treated right; and I always treat you right.
Where my family is never mistreated; and none of them ever mistreats anyone.

Where hope lives eternal; peace reigns in ever heart, and love colors every face.
Where the name of God is respected,...admired,...held in awe!
Where the light of His presence is sought, not shunned.
Where right is right and appreciated .
Where wrong is wrong and always out of season.
Where sickness doesn't last; but good appetites do.
Where bills always get paid; and taxes are never over due.
Where tears are only shed in joy; and all loneliness is totally, wonderfully satisfied.
Where love and joy and peace are everywhere.
Where praises to God can be heard from every home, and automobile, school and business.
I want to live in that world where God is *real!* I want to go to heaven!

Welcome Guests

We are so glad that you decided to visit Port Orchard Church of Christ this morning! Since you took this step to join us for worship, we would like to extend to you a warm welcome. Wherever you are this morning, as we lift worship to God, we pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek to worship God like the first century church did, with a sense of awe and with a fear

of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the best of your abilities. If you have any specific needs, we have a ministry staff that would love to connect with you. Ask the people sitting around you for

names of the ministry staff and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and meaningful way.

Update on Melvin Byrd

There is a possibility (just a possibility at this point) that Melvin may get to go home tomorrow. He took a short trip down the hall this morning. Barbara will let me know if they would like meals beyond Friday delivered. Becky and her dog will be coming in this afternoon. Praise that Melvin is doing better and continued prayers for his complete recovery.

Scholarships for camp

If you will be needing financial help with camp, please speak with Dale Sanders and Ladonna Latham on Sundays. Ladonna is guaranteed to be available before and after service on Sundays. It is not always easy for her to come to the church during the week due to David's health.
