Where

Jesus is Lord, Jesus is Lifted, Jesus is Lived

The Freedom of the Cross

Excerpt from Rick Warren

"We know that our old life died with Christ on the cross so that our sinful selves would have no power over us" (Romans 6:6a NCV).

Romans 6:6 says, *"We know that our old life died with Christ on the cross so that our sinful selves would have no power over us"* (NCV). What does "our sinful selves would have no power over us" mean? It means our natural inclination is to do the wrong thing.

My natural inclination when you hurt me is to hurt you back. My natural inclination when you say something bad against me is say something bad against you and hold on to it and never forgive you. All of the things that I'm naturally inclined to do actually make it worse.

But we can break that bondage to bitterness, that bondage to guilt, that bondage to resentment, that bondage to worry. We can keep from becoming slaves to the past and hurtful memories. We can choose to forgive.

Let me ask you a very important question: How badly do you want to be healed of that hurt? How badly do you want to let it go? Do you want to just keep holding on to it and

become a bitter, old, crusty person?

How badly do you want to be released from this pain? Are you tired of going on? "I've gone over that a thousand times in my mind. Every time I think of it again, it still hurts. What my dad did. What my brother did. What my mom did. What my husband did. Every time I think about it, it still hurts."

The cross has the power to free you from grudges and grief and resentment. There is no other way to let go of these emotions that are weighing you down than the cross. Jesus on the cross broke the power of sin and death and bondage in your life.

Welcome Guests

We are so glad that you decided to try out Port Orchard Church of Christ this morning! Since you took this step to join us for worship, I would like to give you a warm welcome to our congregation. Wherever you are this morning, as we lift worship to God, I pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek here to worship God like the first century church did, with a sense of awe and with a

fear of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the best of your abilities. If you have any specific needs we have a ministry staff that would love to connect with you. Ask the people sitting around you for their

names and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and meaningful way.

Upon receiving the request, we will coordinate with the family to ascertain their needs — length of time, dietary restrictions etc. Once this has been determined through various means of communication we will contact the families here at POCOC for those who would like to participate with providing the meals.

There are some of you who want to always provide a meal, some who choose not to and some who would like to do so occasionally. Please email me if you
