## Kitsap, WA

Initially called Chuckwagon until approximately 5 years ago, Meals on Wheels Kitsap has been providing and delivering nutritive meals to homebound Seniors 60 years and older for 45 years.

Home Delivered Meals are well-balanced and nutritive meals delivered to those seniors who are homebound due to illness or disability and unable to prepare meals for themselves. Community Dining Meals allow adults 60 years and older to connect with others while having a hot, nutritionally-balanced meal at noontime at various locations around Kitsap County. Both are available with a suggested donation of \$3.00 and no one is turned down if unable to give a donation.

Liquid Nutrition Meal supplements are available for those seniors with medical needs.

Nutrition, Education and Dietary Counseling is available for all MOWK clients at no charge. The dietician plans nutritionally-balanced meals appropriate for seniors.

Senior Farmers' Market Nutrition Program provides fresh, locally-grown fruits and vegetables to seniors 60 years and over and qualified low-income seniors 60 and over. Produce

is purchased with vouchers at local farmers markets or delivered directly to homebound seniors June through October.

MOWK continually shows their appreciation and caring to the seniors they provide for. Many of the homebound seniors' only contact is with the drivers. The drivers do wellness checkups on their seniors and if needed will report anything that needs to be addressed. Often when these seniors are hospitalized, the drivers visit them in the hospital or even bring them an occasional treat. Friendships are developed.

To help ease the loneliness many of the homebound seniors feel, MOWK shows their appreciation through many gestures. Here at POCOC the Ladies prayer Group have made up birthday boxes that the drivers take with the meals for the senior who is celebrating their birthday that day or week. Volunteers put together long-stemmed carnations for the women for Mother's day, the gentlemen get a special key ring set on Father's day. We package little bags of candy at Valentine's Day; at Jingle Fest we collect warm outer clothing for those homebound. Emergency meal packages are made up for those homebound in case of electric outages to name just a few things provided for the seniors here in Kitsap County.

# Welcome Guests

We are so glad that you decided to visit Port Orchard Church of Christ this morning! Since you took this step to join us for worship, we would like to extend to you a warm welcome. Wherever you are this morning, as we lift worship to God, we pray that you are able to leave feeling uplifted, convicted, or encouraged in your faith.

We seek to worship God like the first century church did, with a sense of awe and with a fear of the Lord. Some things we do might seem old fashioned or traditional, but we want you to know that at its core, it is for the praise of God's glory.

You are not required to do anything weird or ostentatious. We hope that you feel free to join us in worshipping God to the

best of your abilities. If you have any specific needs, we have a ministry staff that would love to connect with you. Ask the people sitting around you for names of the ministry staff and to point them out!

Once again, we are so happy to have you here worshipping with us and we hope this is a chance to worship God in a deep and

Currently there are 2 full-time paid employees and 8 part-time paid employees out of the MOWK office in Bremerton. There are 125 volunteers throughout the county serving the meals, delivering the meals, various fundraisers, marketing and office work. This past year they served 800 seniors with congregated and home delivered meals in the amount of 57,000 meals. In addition the Emergency meals, Senior Farmers Market, Nutritional Education and Dietary Counseling adds 4000 more meals.

Funding for this non-profit organization comes from grants, donations, and fundraisers.

I have been privileged and proud to be a part of this organization for the past 5 years. I volunteer in the office, working with spreadsheets. I also, for the past 5 years, have been the co-coordinator of MOWK's Jingle Fest Craft and Gift Show held each November. We started out 5 years ago at the Community Center in

Silverdale with 22 vendors and are now at the Fairgrounds with 90 scheduling this year. I also volunteer with registration at the Whale of a Run each year and many other projects. It is so rewarding to help those who can't help themselves in some way. Please consider volunteering a couple hours each week. See me for more information or there are brochures in the foyer. Donating just a few hours of your time a week goes a long way.
