We got up at 03:00 am.

We had to make it to the Kafue Hook Park gate before 2:00pm.

From the Hook gate to Treetops would be another 4-5 hours, and they did not want us driving in the park after dark.

Finally we made it inside. And on the park's dusty, twisty trails, we joyfully reached the last junction well before dark.

Only 14 kilometres to go! Ya-a-a-y!

Oooooops!

Those dips through dry little stream beds were too tight for the bus!

Three times it got hung up on it's back bumper. . . .

Rear overhang is just too long.

So
Land Rover to the rescue!

And we still made it into Treetops camp before dark!
