

## Helooooo! Camping trip with the boys - From Roy Merritt

We are back from a 5-day camping trip to Musungwa campsite near Lake Iteshiteshi

'Twas a chilly day, and the boys wasted no time building a cosy campfire.

Game viewing was a treat in the nearby Kafue National Park

One day we took a boat ride up the lake and enjoyed seeing hippos, a crocodile and fish eagles

One day we went to a hot spring. The water squirting up from the rocks was boiling hot! But a quarter mile or so downstream it was a super place for fun swimming!

ME? I loved the fabulous sunsets!
